Project your life

PicoPix pocket projector

This 100 lumens ultra portable PicoPix is one of the most compact projectors on the market available – smaller than a PC-mouse it is the perfect companion for everyday business life. With HDMI it can be connected to any notebook, netbook, tablet or other mobile devices. Powered at the same time by the USB connection there is no need for additional batteries, chargers or power cables. It has never been so easy to project presentations, videos and pictures up to 120" screen size.

Excellent image Quality
· SmartEngine with LED technology for brilliant colors and high contrast
· Project HD videos, images and presentations up to 120″ (305 cm) in size

High usability
· Easy connection via HDMI

Ultra portable
· Perfect pocket companion weighing 83g/2.93oz only
