

OC120FM product information sheet

The OC120FM is ideal for entry-level consumers looking for a low-profile and easy-to-use large full motion mount.

Product Benefits*

- Tilt forward or back to reduce glare or for overhead installations
- Pan display left or right to view from multiple rooms or seating areas
- Pull TV forward when mounted in a recessed space
- Included adapters fit a wide range of VESA patterns
- Lift n' Lock™ feature offers easy, three step installation
- Cable management channels guide wires from TV to wall for a clean install
- +/-3° post installation leveling
- 2.9" (7.4 cm) of lateral adjustment makes TV centering possible
- Open frame provides ample room for power and A/V cutouts behind TV
- Wall plate and arm design complements TV whether extended or nested to the wall
- Complete hardware kit included
