Philips
Pocket projector

140 lumens

PicoPix™

PPX 3414

Project your life

This small and light pocket projector can easily be connected to various gadgets, an SD card or a USB stick to access your digital content. The addition of an integrated mediaplayer and embedded office viewer makes this PicoPix independent of other mobile devices. With the internal battery you can project and share pictures or videos wherever you want.

Excellent image Quality
· SmartEngine with LED technology for brilliant colors and high contrast
· Project HD videos and images up to 120″ (305 cm) in size

High usability
· Various connections for all common appliances
· Integrated office viewer and media player

Ultra portable
· Perfect pocket companion with only 270 g weight
· Internal battery for playtime up to 2 hours

PHILIPS
