PicoPix

# Project your life

## PicoPix pocket projector

This brilliant little companion is the ultimate device for on-the-go. Equipped with HDMI, USB and micro SD slot it's never been so easy to project videos and pictures. Even better, the PPX 4350 Wireless supports wireless screen mirroring. The included Wi-Fi dongle connects your iOS 8 devices (iPhone 4s and iPad 2 upwards) to the PicoPix ScreenPlay function. It is also Miracast compatible and works with most Android devices (4.2 upwards), laptops/PCs (Windows 8.1 upwards) and Windows phones (8.1 upwards) that support Miracast. With the Bluetooth audio function the PicoPix can be connected to Bluetooth speakers and with its integrated media player this pocket projector turns into a mobile cinema, no matter where you are.

### Wireless connectivity

- Bluetooth audio function and Wi-Fi dongle for wireless screen mirroring with iOS, Android and Windows devices

### Excellent image quality

- WavEngine with LED technology surprises by crystal clear pictures in brilliant colors
- Projects HD videos and images up to 60" (152 cm) in size

### High usability

- HDMI interface, micro SD slot, integrated media player & support of MHL for mobile devices like smartphones and tablets

### USBQuickLink

- USB plug & socket for power and to play videos directly from your USB-Stick

PPX 4350 Wireless
